Dear Early Childhood Families,

We are thrilled to announce an exciting opportunity available in Skokie for preschool families! The Horwich and the Kaplan Preschools are joining together to open an additional site for a preschool.

This preschool option is called "Horwich Preschool @ Kaplan", and will encompass all of the components of the Horwich Preschool, at the Skokie location. The program will be directed jointly by Karen Appel, Director of Early Childhood Services at Horwich, Darci Rozner, Director of Early Childhood Services at Kaplan, and Jennifer Rosenfeld, Assistant Director of Early Childhood Services at Kaplan. Staffed by teachers from the Horwich community, the children will experience a Judaic curriculum rich in tradition, prayer, and celebration that will prepare your child for day school. We will continue to implement Ethical Start®, based on teachings of Pirke Avot, at a level just right for preschoolers. Our secular curricula such as Creative Curriculum and InvestiGator Club work hand-in-hand with our traditional curriculum and woven together have proven to create the highest quality Early Childhood Education we can provide for our children.

Horwich Preschool @ Kaplan will follow the same calendar and have the same pricing as the Horwich Preschool. Classes will run the same daily and weekly schedule as the Horwich Preschool.

We are thrilled to offer this exciting option, and are eager to show you our school. If you are interested or know someone who is interested please call to schedule a tour.

Sincerely,

Karen Appel
