2008

Welcome to JCC Summer Program. Each week, your child will embark on an amazing adventure that will spark their imaginations and have them marveling at what will happen next.

The Summer Program Parent Guide has been designed to clearly describe JCC policies and the myriad of practical details that contribute to making each day as safe, pleasant and successful as possible. Please review them and keep them for a reference. You can find the Summer Program Parent Guide and all necessary forms listed below on our website at gojcc.org. Please download them, complete them and return them to your center according to the directions below.

Prior to the beginning of the Summer Program it is critical that you complete all of the Summer Program forms listed below. All of the forms help us provide your child with the best possible individual educational experience.

The following forms are included:

1. Family Profile Form
2. DCFS Medical Form
3. DCFS Lead Risk Assessment Questionnaire and guidelines
4. Waiver for the Distribution of Medicine Form
5. Waiver for the Distribution of Sun Screen and Insect Repellant Form
6. Program Permission Form
7. Class Roster Permission Form
8. Emergency Card (2)
9. Authorization for Pick-Up Form
10. Friendship Request Form
11. Parent Guide Receipt Form
12. Code of Honor Receipt Form
13. Preferred E-mail Form

Please read the information carefully, fill out all of the forms and return them to the JCC Early Childhood Learning Center as indicated on the following page no later than May 16, 2008.

Our guidelines require that we have an accurate medical history and an up-to-date record of immunizations on file, including a TB and Lead Screening test. For children first entering our program, a TB test and medical examination must be done no sooner than six months before starting. The medical examination must be updated yearly by your child's physician.

We understand that choosing your child's summer experience is an important decision. Therefore, we thank you for choosing the Summer Program at JCC. We look forward to creating wonderful new memories with your family; together we will celebrate your child's summer milestones
