

Late Pick up Policy

The primary responsibility of the JCC is your child's protection and well being. Therefore the following policy has been set in place in the event that you do not pick up or arrange to have someone pick up your child at the designated, agreed upon time.

1. The JCC will attempt to reach all emergency contact numbers, including parents or guardians at home, work, and cell phone followed by emergency contact numbers as provided by parents.
2. It is your responsibility as parents or guardians to keep the JCC informed of any changes in the emergency contact numbers.
3. In the event that you have not notified us about a late pick up, after 3 unsuccessful attempts to reach all of your contact numbers and one hour has elapsed, the JCC will call outside authorities such as the police.
4. A late fee of \$10.00 will be assessed after the first 10 minutes and an additional \$2.00 for every minute after that will be assessed until your child is picked up and signed out. This fee will be doubled on Fridays and early holiday closings.
5. Under all circumstances, the staff of the JCC shall not hold your child responsible in any way for the late pick up, and discussion of this issue will only be with the parent or guardian and never with your child.

I hereby certify that I/we have read the JCC Early Childhood Services Policy on Late Pick up and agree to adhere to all of this policy.
